# Get Ready for Your Bachelor's Degree with NCUK

## Why Study the International Foundation Year?

If you have recently completed Baccalaureat, the NCUK International Foundation Year (also known as IFY) will give you the necessary skills to bridge the gap between your current qualifications and starting a bachelor's degree abroad in the UK, Canada, Australia, New Zealand or the USA.

### Benefits of the NCUK International Foundation Year:

NCUK gives you the best possible preparation for success on your chosen undergraduate degree and in your future career. As well as academic knowledge, the NCUK International Foundation Year will give you specialist English language, study and cultural skills that are an essential part of your degree course. You will fast-track your way to university and obtain a guaranteed place at an NCUK University after successfully completing this qualification.
